Re: 96-86, 06-169

Dear Ms. Dortch:

On Friday April 13, 2007, I telephoned Bruce Gottlieb in Commissioner Copps' office on behalf of Pegasus Communications and left a voice mail in which I asked that Mr. Gottlieb and the Commissioner give consideration to the Commission's legal authority to adopt the Broadband Optimization Plan, of which Pegasus Communications has been an advocate. I urged that the forthcoming item in which this issue will be considered be framed to invite further comment on the issue rather than embracing a tentative conclusion that the Commission lacks legal authority to adopt the Broadband Optimization Plan as had been reported in the press.

Very truly yours,
